SCRIPT

Cat's love

My friends and I had a great
breakfasting, making and created
the young master. I love men who
can pull off business, women too.
I had many ideas, but unfortunately
I couldn't write all of them. I wanted
to make the young master cute and
sweet (like a cat). Shway is still
alive. He's retired and following
around a free
spirit. Shway
loves sweets because
his grandma made him eat
them every day. Cat's love
is not in the spring.

Ever seen

Be it male or female, Man likes
cutes, in Ryo-chan can't really for
type. I wonder what kind of job
Ryo-chan has. He plays a lot, but
Man plays more. I think the leader
of his band is a nice musician with
a touch of seduction. So cute.
Anyway, I hope you enjoyed it
then.

THANK YOU!

Big thanks to editor K. Maki, Renshou,
my friends, and everyone who read this
